Dear Allen:

One of your men, [redacted] spoke to me about STAT  
a short study which he had made of the Russian intelligentsia,  
and I asked him to let me see it. I liked it and thought it  
might make a little article for FOREIGN AFFAIRS. He has had it  
cleared for publication, but thought that perhaps you might like  
to see it also and give your approval. Here is a set of the  
proofs. I think you will agree that it is worth publishing  
and that it will be useful.

Yours sincerely,
